SOPHOMORE CLASS IN THE LIMELIGHT

Second-year Students Weber Academy Celebrate Their Victories.

OGDEN, March 4 .- The members of the ophomore class at the Weber academy were more than prominent today when the general assembly this morning was transformed into a sophomore celebration for the presentation of a silver cup, gold medal, pennant and special prize of \$20 for various accomplishments of class or individual members. The members of the class occupied the seats of the choir at the front of the auditorium during the averages.

at the front of the auditorium during the exercises.

Principal W. W. Henderson presented the silver loving oup for the victory of the sophomores in the interclass debates. This cup has passed from class to class since 1905, each organization engraving its numerals upon the prize. Wilmer Jensen, a member of the class, then received the Henderson-Cottle gold medal for oratory, which he won two weeks ago.

Myron McEntire presented the "sophs" with a pennant for winning the interclass basketball series, and they also received today the \$20 prize for selling the largest number of lecture course tickets. During the celebration the members of the other classes were sentenced to remain in the auditorium and enjoy, as much as possible, the jubilee.

OGDEN, March 4.—The Sait Lake & Ogden Railway company will enter upon the use of its new steel and concrete bridge over the Weber river at Thirtieth street within two weeks, according to information given to the city commissioners by Julian Eamberger, a representative of the company, today. The grades for the east and west approaches are nearly completed and the material for the double tracks over the structure is

nearly completed and the material for the double tracks over the structure is on the ground.

The city commissioners are anxious that the company start operating its cars over the new bridge as soon as possible because of the fact that the city cannot complete its portion of the bridge until the electric company has abandoned its old structure on the lower level. Commissioner Chris Flygare, superintendent of streets, has been assured that his department will be able to take up the work not later than April 1.

OGDEN, March 4—Charles J. Ross, representing the Ogden tabernacie choly, and J. David Larson, secretary of the Ogden Publicity bureau, departed over the Salt Lake Route this afternoon for San Diego, Cal., to make the preliminary investigation regarding the proposed trip of the local choir to the Pacific coast next year. The two men expect to be absent for about ten days, during which time they will visit more than six cities. The Ogden choir having been designated by the first presidency as the official choir of the Mormon church for 1915, it is certain that the big organization will appear in concert at the Panama-Pacific and San Diego expositions. In addition to these engagements, Messus, Ross and Larson hope to arrange for about six concerts in other California cities.

OPPOSE "RAGGING" IN PUBLIC DANCES

of Parents' Classes of Mormon Church Stakes Will Ask for Banning Ordinance.

OGDEN, March 4.-With the parents classes of the three Mormon church stakes behind the movement, an active campaign against "ragging" and kindred dances is to be waged in Ogden and Weber county. At a meeting of representatives of the parents' class stake board at the home of L M. Cooley tonight it was decided to circulate a petition throughout the county for the signatures of class members in all wards. As soon as this movement has been in-dorsed by the parents the petition will be presented to the city and county com-missioners. The petition, as decided at tonight's meeting will ask that both the city and county boards pass ordinances prohibiting the popular forms of alleged immoral dances in public dance halls and academies.

Steps have already been taken by the authorities in the various wards to abolish the new forms of dancing in the ward amusement halls, but it is contended that the practice has grown in popular favor at the more public halls until no further effort is made to put a stop to ft. The committee behind the movement failed to announce whether the popular tango is included in the list of dances to be put under the ban.

Special to The Tribune.

OGDEN, March 4.—Not satisfied with the commissioners' action in granting the Ogden Rapid Transit company permission to pave their Twenty-fifth street and Wall avenue right of way with converte, the property owners have petitioned the city board asking that the streets be paved "from curb to curb" with asplialium. The petition was read at today's meeting and referred to Commissioner Chris Flygare, superintendent of streets, the city engineer and city attorney.

of streets, the city engineer and city attorney.

Efforts have been made in the past to have this district resurfaced with asphalt, but the proposition has been defeated by the property owners. Commissioner Flygare believes that it will be possible to have the signers amend their petition, because the company has already been granted permission to use concrete.

City Engineer Washington Jenkins reported to the board today that jurisdiction has been gained for the paving of Hudson avenue between Twenty-third and Twenty-fourth streets. A per cent of the property having been pledged to the improvement. Notice of intention to pave the block will be published at once.

Schlitz in Brown Bottles is pure and wholesome

No disagreeable odor or taste that scientists find in beer in light bottles.

> "It is interesting to note the observation that beer in colorless bottles exposed to diffused light will undergo a change, precipitating a heavy sediment and taking on a disagreeable odor and taste." Extract from Die Theorie und Fraxis der Malabereitung und Bierfabrikation. Published by Director Julius E. Thausing, Leipzig. 1893, Fourth Edition, page 920.

This opinion was rendered impartially and in the interest of science.

The slightest taint of impurity ruins the healthfulness of beer.
